ORDER FORM FOR MEMORY BOX

It is now possible to commission one of the triptychs for your own family. Each MEMORY BOX is designed for a particular family. I work closely with the family in collecting the photographs and oral histories, copies of which become the contents of the finished piece. This is your opportunity to honor your own family history and create a legacy for future generations.

\$1500 in 3 payments of \$750, \$500 and \$250.
